## Christmas 2007 Postcard or Flyer Order Form

The costs for the postcard or flyer mailing programs are summarized in the accompanying cost sheet. To participate in the program, we need the following information:

Parish Name \_\_\_\_\_

Contact Name \_\_\_\_\_

Address \_\_\_\_\_

City, State, Zip \_\_\_\_\_

Phone \_\_\_\_\_

E-mail \_\_\_\_\_

Total number of postcards to be mailed \_\_\_\_\_

Do you have a non-profit mailing permit:  yes or  no

If you do not have a non-profit mailing permit, we can help you establish non-profit mailing privileges for these mailings but we must start the application process early because it takes about 3 weeks to complete. There is no cost to do this and the postage will be approximately half of what it would be for a for-profit standard mail and about a quarter of what it would be for first class.

Do you need to purchase a mailing list:  yes or  no

We can assist you in purchasing a mailing list that targets specific your needs. Typical lists have included new residents and/or residents with school age children from a geographic area defined by attributes such as zip code or radius around your church. We can specifically exclude members of neighboring parishes if we have a digital list of their names and addresses. Call Richard Woodyatt at the below address to discuss your needs.

The deadline for signing up for the Christmas 2007 postcard or flyer mailing program is **November 2, 2007**.
