

## DIOCESE OF BETHLEHEM

### 2007-2008 Visitation Schedule

We welcome Bishop Jack Croneberger, retired diocesan of Newark, who will be sharing in the work of episcopal visitation. It is the hope that in 2008 he will be taking a larger role in our life.

Please consult the bishop's office regarding any and all issues with the following dates. We will work with you if there are problems.

Linda will send the customaries and an information sheet as the time of your visitation draws near. Please remember the following in drafting the service, however:

- Bishop Paul prefers that the children be present, and when they are will have a short talk for them before the sermon.
- Except in Lent, we *always* use the pontifical blessing, the musical portion of which is at S-173.
- Local intercessions may follow the prayers for the candidates just before the collect, using the same pattern of words with the same response.

Bp Paul welcomes invitations to preside and/or preach (but not confirm) on Palm Sunday, Maundy Thursday, and Good Friday.

Bracketed locations do not involve Christian Initiation.
